Words of Greeting:

As we look upon yet another retreat, it's easy for us to just roll our eyes and just go with the flow. It is actually very easy to go to many retreats, conferences, and seminars and totally miss what God has for us. And we don't want that for you. This retreat has been planned and prayed and designed to give you a safe place where you may fellowship with the King of the universe. This is the true reason why we're doing this thing.

Meeting with God sounds all good and fancy enough, yet many people don't really know what that looks like. For some, it'll be a mind blowing, life-changing event. For others, it'll be a time to pursue resting in the Lord. Wherever or however it may look like, we want to make it possible for you to meet Christ in a powerful and personal way.

Let's not waste this opportunity. Let's go with great expectations, knowing that God has bigger plans than our small expectations and dreams.

What is going on?

Here is a God ordained event where two of God's children separated by many miles get an opportunity, made possible only by the Cross, to come together in worshipping God together and fellowship with one another. To help in this endeavor is Pastor Rob joining us all the way from the Garden State (NJ)! So this is a rare and sweet moment granted by God. Let's enjoy this. This is a sweet moment where we can also and ultimately meet with God. Let's enjoy this. He has conspired in eternity and moved things in history and geography and geology to make sure YOU are here NOW. God has ordained you to meet/enjoy Him along with His own people. Let's enjoy this.
